

HOUSE OF TRUTH

BY KAYA JIWAN

THIS IS EVOLUTION

KAYA JIWAN

The House of Truth is a five-day living experience, a custom-made personal evolution program designed around potential and shadows. We illuminate unseen patterns limiting beliefs, trauma, and self-sabotage to create an environment in which you can release and reset through various practices. The group, the team, and the environment are all staged for your process.

We are excited to have you as one of our 11 guests and look forward to exploring your personal profile and desired transformation in one of our upcoming editions.

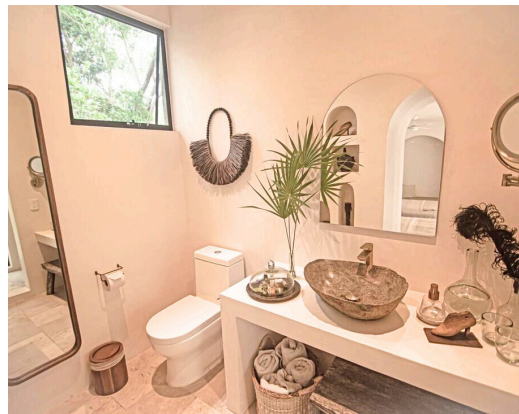

THE POWER EDITION

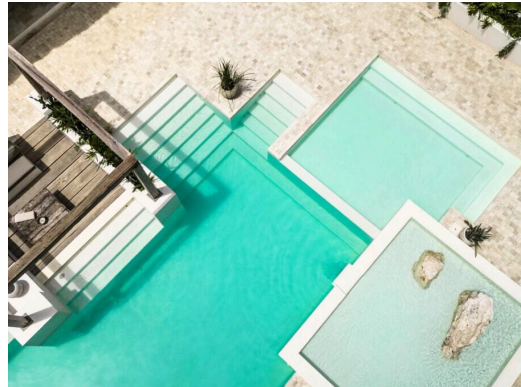

KAYAJIWAN

The Power Edition aims to kill fake bonding, such as pleasing, adjusting, swallowing, symbiosis, co-dependency, mother/father wounds, false mirroring, downplaying, and rescuing. You are invited to transform reactive isolation, such as numbing, subtle addictions, hyper-autonomy, lies, shame, and loneliness, into choice and freedom.

Hierarchy, not/being chosen, not being good enough, striving to be better, and actively disappointing others will be part of the program to trigger you into old patterns and (childhood) wounds. You heal and level up by being mirrored, confronted, held, and seen in all layers of self.

Since authentic power is rooted in bonding and safety, we stay in a lush, secluded oasis where you receive abundant nourishment and deep co/regulation to support your upgrade.

THE REBEL EDITION

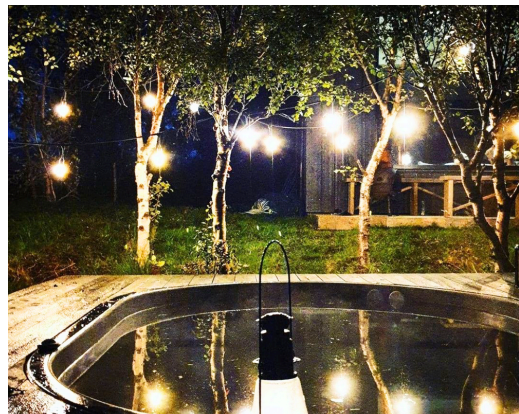

KAYAJIWAN

The rebel is seen in sabotage, procrastination, loss of focus, addiction, and self-gaslighting. The rebel is the hero of pioneers and creatives, the leader of visionaries. But when the rebel is out of control, it destabilizes and hooks you into destructive patterns.

The function of the rebel is to break free from the old, set the tone, have a different voice and explore the unknown in service of growth and human evolution. If you get stuck in the rebel, the world honors your talents and potential, but you are not living your gold. You feel like a fool, while everyone sees you as a brilliant master.

In the HOUSE we go on a treasure hunt to harvest the qualities of the rebel while removing the shadows that prevent you from thriving in love, life, and business. If you are someone who has NO rebel but instead adjusts all the time, you are very welcome to join too.

The House is a one-of-a-kind event that only takes place once a year. Each time, it offers a different focus, team, and set-up. It's your chance to embark on a unique journey.

The HOUSE is an all-inclusive journey, with your only expenses being travel costs to the designated location. To extend and deepen your journey, we offer the opportunity to combine multiple houses or a House with a Personal Mentorship. In 2026, the HOUSE will be held in South Korea.
